To Whom It May Concern:

I am writing to express my support for the Nicholson Heritage Association's endeavor to secure funding to renovate and restore the historic 1849 Delaware, Lackawanna and Western Railroad Station in Nicholson, Wyoming County.

The project will be to transform the historic landmark into the Nicholson Tourism Center at the Historic DL&W Railroad Station. This economic revitalization project will be an attraction for tourists to come by the Viaduct Valley Way Scenic Byway into our region and also give the residents in the area a heritage center that can be used for community events.

I, wholeheartedly, support the Nicholson Heritage Association's restoration project. I encourage your consideration to provide funding to assist them in making the Nicholson Tourism Center at the Historic DL&W Railroad Station in Wyoming County an inviting center which will be enjoyed by all visitors and residents.

Sincerely,

A handwritten signature in blue ink that reads "Sandra J. Major".
