### **New Business**

The Heritage Association received a post card from someone suggesting that we put a plaque up at the Nordahl Park honoring the three doctors in Nicholson Dr. Decker, Dr. Alexander, and Dr. Llewellyn. We will discuss this at future meetings.

Marion received a letter from Mr. Richard Calpin he returned to Nicholson for a visit recently and visited his relative's former homes and surroundings and noticed that the Brecht Hill sign was gone. We had a discussion about the sign and Donna Manzer said that she would check into it and see if a sign can be erected. She will report on this at our next meeting.

Marion suggested that the officers should meet at a later date and go over the by-laws of the Heritage Association. It was also suggested that we discuss having a Board of Directors. We also discussed having dues in future.

It was suggested to have limited news reported on our meeting in the New Age Examiner. The news will be edited before a release is made.

A flag will be erected at the new store "I Want That" and the "Feed Mill Finds". Ann Marie will contact SAL to do the work. We are very grateful to SAL for all of the work that they did in the past.
